

**Matt Strief - Handy Man**  
**Misc Unsigned Bands**

This is my first time tabbing a song, so bear with me.

not exactly how he plays it. just the basic chords (or at least close, as far as i can tell) without all the different notes.

capo 5.

intro: **D, A, Em, Em**  
**D, A, Em7, G**

**D** **A7** **Em** **Em**  
Could I rest my head on your chest for the best of a second?

**D** **A7** **Em7** **G**  
To hear your heart beating with mine

**D** **A7** **Em** **Em**  
Would you lay by my side for a night I want to be forgetting

**D** **A7** **Em7** **G**  
and I ll tell you that everything will be all right

**Em** **Em** **A7**  
And I know I can only console your sweet soul for the moment

**Em** **Em** **A7**  
And it never works out how you want with these eyes when you roll them,

**G** **A7**  
so baby...

**D** **Am7** **C** **G**  
I ll fix the sky for you so the stars that you wish on will always be coming true

**D** **A7** **Em7** **G**  
So wish me back to you

**D** **A7** **C**  
If the distance this instant is keeping the cry in your eyes

**G**  
and the butterflies deep in your stomach, babe

**D** **A7** **C**  
I know how you feel

D A7 Em

Oh, and I ll fix that too.

Em

D A7 Em7 G

Oh, and I ll fix that too

I m a handy man but my head s in my hands with no answers  
Oh, but girl you know I m trying  
Oh your scent s on the air so I stare in every direction  
For the briefest of moments my hope is up and crying  
And I know I can only console your sweet soul for the moment  
Well it never works out how you want with these eyes when you roll them,  
so baby...

I ll fix the sky for you so the stars that you wish on will always be  
coming true  
So wish me back to you  
If the distance this instant is keeping the cry in your eyes  
and the butterflies deep in your stomach, babe  
I know how you feel  
Oh, and I ll fix that too  
You got a problem I will be your man  
I ll get you back up on your feet again  
I ll be there just about as quickly as I can  
Guaranteed

I ll fix the sky for you so the stars that you wish on will always be  
coming true  
So wish me back to you  
If the distance this instant is keeping the cry in your eyes  
and the butterflies deep in your stomach, babe  
I know how you feel  
Oh, and I ll fix that too.

I ll fix the sky for you  
so all your wishes will come true  
I ll turn the darkest of days into  
all the brightest shades of blue  
If the distance is getting you down, oh baby  
I know how you feel  
Oh, and I ll fix that too...
