Em7add11*

How could a good boy have gone so wrong?

Em7add11* Em7add11*

Em7add11* Em7add11* Em7add9*

She said, and then the words just slipped

Cmaj7*

From my mouth

Cmaj7* Cmaj7*

You re a liar, a thief

C (strum once, then silence)

Her hands were never beside her

Em7add11*

She was always taking from me

Em7add11*

What wasn t hers

Em7add11*

What she could hide

Em7add11*

But I want those years of my life

 ( ^ 2nd time play
  these as G chords)
So talk to me
               Em
About what, about you
What s there to talk about?
 C
                               Αm
I wanna hear you say that you never knew me at all
But that s not true
I wanted this so badly
          Em
See things change
No you just moved away
                                 Am
And the further you went, the less you wanted to stay
I wish I could ve said something cool to make you listen
But the only thing that came to mind
Was how much I d be missing you
   Α7
And missing this
    Em7add11*
                         Em7add11*
When everything is brought to light
Em7add11*
          Em7add11*
                                 Cmaj7*
Then we see that everything s just not alright
          Cmaj7*
So let s be honest
        Cmaj7*
Is that a stretch?
         Cmaj7*
                             Α7
I m what s coming and you are the blessed
But I m not the saint as before I let you in
```

                                                     Cmaj7
And if I could just take one more chance and let you see through
                   Asus2
                           Α
Would you see it as love?
                     Gmaj7
Would you see it for us?

A bit of help with the chords on the bridge:

D#aug		

eb								
Bb				(2)				
Gb		(1)						
Db					(3)			
Ab						(4)		
Eb								
			III		V		VII	

For the D#b5, orient your fingers like this and then slide your index finger from fret 2 to fret 4.
