LET GO - Desperate Measures

**Em D C**

Take me as I am  
I can't be who I'm not  
Take me by the hand  
And tell me everything's fine

**Em D C**

I tried to be what you wanted  
But I wasn't true to myself  
Like a book that you read  
You kept me high on your shelf

**A C**

So now I'm tellin' you

Chorus

**Em D C**

You gotta let me be me  
Oh you gotta let me go  
I'm not hard to handle  
But I guess you'll never know

**Em D C**

You never let me shine  
I had so much to give  
You should loosen up  
Life is there to be lived

**Em D C**

I know I'm not perfect  
But neither were you  
You never listen to me  
Felt I had somethin' to prove

**A C**

So now I'm tellin' you

Chorus x 1

**A C**

Words cut deep when they're comin' from you

Should ve known it was just a waste of time

Lead Break (verse chords)

Chorus x 2
