Megan Faria - Rainstorm Misc Unsigned Bands

Okay, so this is my first submission, so don t be too harsh. I watched her video to get

these chords and I thought it sounded the same when I played it with her! Good Luck!

No Capo

STRUMMING: I put my thumb on the top string and my index finger on the bottom string and

pull them together for the verses and bridge. For the chorus I just strum! Check out

the video to get the beats and and the vocals at the end. The lyrics came directly from

the description under her video!

We (Am) fought like we were younger aged

(C) Never meant the things we d say

Tried (D) to protect myself from all the (G) hurt

And (Am) now that you are not with me

My (C) life is just a mystery

And (\mathbf{D}) every second spent alone hurts (\mathbf{G}) worse

And (\mathbf{Am}) it kills me (\mathbf{C}) inside to know that

(D) You re still (G) alive, not loving me

(Am) And boy I ve (C) tried to be a big girl

(D) But big girls (G) cry if they want to

 (\mathbf{Am}) Tonight the clouds are (\mathbf{C}) coming out The tears are (\mathbf{D}) pouring down some (\mathbf{G}) more (\mathbf{Am}) Tonight the lightning s (\mathbf{C}) gonna strike

There ll be (D) flash flood signs

So (G) bring on the rain storm

Am, C, D, G

If (Am) hearts were meant loving then

Why (C) am I single once again?

I(D) blame myself for all that we ve (G) become

And (Am) even though I (C) broke your heart

You re (D) not the one who fell apart

I (G) apologize for that I ve done

And (Am) I make believe, (C) you re still here

(D) In love with me, but (G) nothing s ever clear

And (Am) boy I ve (C) tried to be a big girl But (D) big girls (G) cry if they want to

 (\mathbf{Am}) Tonight the clouds are (\mathbf{C}) coming out The tears are (\mathbf{D}) pouring down some (\mathbf{G}) more (\mathbf{Am}) Tonight the lightning s (\mathbf{C}) gonna strike There ll be (\mathbf{D}) flash flood signs So (\mathbf{G}) bring on the rain storm

Am, C, D, G

- (A) It s over, (Em) I know that
- (G) But I can t face (D) reality
- (A) I m sorry, (Em) I slowly
- (\mathbf{G}) Pushed you away from (\mathbf{D}) me

 (\mathbf{Am}) Tonight the clouds are (\mathbf{C}) coming out The tears are (\mathbf{D}) pouring down some (\mathbf{G}) more (\mathbf{Am}) Tonight the lightning s (\mathbf{C}) gonna strike There ll be (\mathbf{D}) flash flood signs So (\mathbf{G}) bring on the rain storm X2

Am, C, D, G
