

Metasoma - Just Stay

Misc Unsigned Bands

This song is not known,yet, to public, but you can listen it @ my profile or @ www.myspace.com/metasoma

INTRO:

Am Dm G C Em

RIFF1:

Am Dm
Since you left my life is
G C Em
Like a bird without wings
Am Dm
The drug my heart needs
G C Em
Without you I canâ€™t even breath
Am Dm
I donâ€™t feel like Iâ€™m going to work
G C Em
I would rather stay home
Am Dm
But everything reminds of you
G C Em
Moments that you pass and through

PRE-CHORUS:

F G
And the night falls for another time
C Am
And I still hope that you are fine
F G
I tried to sleep but you cross my mind
C Am
And I pray to god to give me a sign
F G
If only I could do something
C Am
Cause I donâ€™t wanna live next to nothing

F G C Dm

CHORUS:

A m F
When you come again
C G

I won't care what the other say

Am F

I will be so glad

C G

Cause bright you you make all my day

Am F

When you come again

C G

My hands are wide open to all your love

Am F

Just say you stay

C G

Cause I've been thinking about you all night long

Repeat INTRO

RIFF 2

Once I asked you for your help

But you'd rather see me fell

I couldn't cope all alone

With this words

will on my own

And the things you get to me

G C Em

You will never really see

How much I could give

PRE-CHORUS
