

Meus Cras - Pause

Misc Unsigned Bands

Intro, verse, Chorus: **Em C G D**

Bridge: **Em D**

V1(progressive med)

hey girl, his on his way home

driving and its on one eighty

who cares whatâ€™s done is done

so brighten up the frown

(high)

she said be here just this once

to walk with her once in a while

she whispered her confession

it bloomed the connection

CH.

yes, Im on pause

and its all because

I go through life too fast,

(like the response of a broken glass)2nd voice

so i will pause

to look around cause

i lost significance

(now i know everything wonâ€™t last)2nd voice

V2

dinner at six, suddenly

forgot what was the occasion

he let it pass anyway
it is your special day
arguments is the least form
of conversation, a sharp blow
you never meant to say it
i would just walk it out
Repeat Ch.

BRIDGE

lights and sounds of red and blue
on the road of project o-six
youve meet along the way
tune out and drive away

V3

and dispel the gloom
i wont let it consume
coz it breaks my world into two

Repeat chorus (slow)
