Intro -
G Dsus4/**F#: Em C**
G Dsus4/**F#: Em C**
Am C G

  G   **Dsus4**/**F#:**   **Em**
I used to think that I was somehow different
C   **G**
Like I had a life of my own
G   **Dsus4**/**F#:**   **Em**
Lost in dreams, ambitions and adventures
C   **G**
I had no idea of my home
           Am
But I m just here
       C
Like the wind
      G
Like the deer

   G   **Dsus4**/**F#:**   **Em**
I m just another creature in the forest
C   **G**
Just another movement in the trees
G   **Dsus4**/**F#:**   **Em**
Today I will run in sunny meadows
C   **G**
Tomorrow I will lie upon the leaves
       Am
I m just here
       C
Like the wind
      G
Like the deer
D   **C**
These mountains look high to me, But they re really quite small
                 G   **D**
From everywhere else in space you don t see them at all

```
D                                            C
This life seems big to me, But it s really quite clear
          G
It just came along
          Am      C
Like the wind
           G
Like the deer

Guitar Solo:
G Dsus4/F#: Em C
G Dsus4/F#: Em C
Am C G

G                          Dsus4/F#;              Em
I used to close my eyes and look for heaven
C                                   G
Searching for the sweet by and by
G                          Dsus4/F#:          Em
Believing that the source of every beauty
      C                                      G
Was something I would see when I die
                    Am
But it s right here
            C
Like the wind
            G
Like the deer

D                                               C
These nights can be so long but they really go fast
            G                          D
In fact, I have some friends whose nights are gone
D                              C
These conversations now I just let  em go past
     G
A whisper in the dawn
           Am      C
Like the wind
            G
Like the deer

   G                          Dsus4/F#:              Em
I used to think this lifetime would be different
C                                      G
This time I ll finally get it right
G                          Dsus4/F#:          Em
Strangely that seems less and less important
C                                      G
In the soft and golden early evening light
            Am
I m just here
            C
```

```
Like the wind
          G
Like the deer
```
