For my little girl....

My Costly Love (prostitute song)

Verse 1:

**G**  
Your the only girl who ever spoke to me,  
**C6** **D**  
It s too bad you never did it for free,  
**G**  
I would see you everyday,  
**C6** **D**  
The problem was I had to pay,  
**G**  
I had to pay....

Chorus:

**Em** **D** **C** **G**  
I love your hair, I love your eyes,  
**Em** **D** **C** **G**  
I love to see the love drip down your thighs,  
**Em** **D** **C** **G**  
Why did you leave me?, why? oh why?  
**Em** **D** **C**  
When i think of you i can t help but cry,  
**G**  
I m bankrupt...

Verse 2:

**G**  
At the red light district i would wait,  
**C6** **D**  
So i could pick you up straight, from work,  
**G**  
We would have fun every night,  
**C6** **D**  
If i had the cash i just might, tip you,  
**G**  
I might tip you...

Chorus:

**Em**                **D**                **C**                **G**  
I love your hair, I love your eyes,  
**Em**                                **D**                **C**                                **G**  
I love to see the love drip down your thighs,  
**Em**                                **D**                                **C**                                **G**  
Why did you leave me?, why? oh why?  
**Em**                                **D**    **C**  
When i think of you i can t help but cry,  
**G**  
I m bankrupt...

Verse 3:

**G**  
I love it when you grease your body and slide up and down a pole,  
**C6**    **D**  
But when we made love there was no heart or soul,  
**G**  
I gave my money, I gave my time,  
**C6**    **D**  
I wish you d change instead of taking mine,  
**G**  
Instead of taking mine...

Chorus:

**Em**                **D**                **C**                **G**  
I love your hair, I love your eyes,  
**Em**                                **D**                **C**                                **G**  
I love to see the love drip down your thighs,  
**Em**                                **D**                                **C**                                **G**  
Why did you leave me?, why? oh why?  
**Em**                                **D**    **C**  
When i think of you i can t help but cry,  
**G**  
I m bankrupt...

Outro:

**Em**                **D**                **C**                **G**  
I need love, your my substitue,  
**Em**                **D**                **C**                **G**  
I m in love with a prostitute.  
(repeat)

**G**  
One thing you did not tell me...  
**C6**                                **D**  
Was that you had HIV.

fade and end on G
