

If I can fill a lifeboat with friends

G **A**
So ignore Armageddon and be happy
G **D**
Don't worry that the world may forget us
G **Em**
Don't hold your breath and wait for your death
C **D**
When it comes we won't know what hit us

| **G** **A**
| Breathing is all that I'm good for
| **G** **D**
| Breathing is what I do best
| **G** **Em**
| The day that I stop will be the day that I die
| **C** **A**
| And finally give all the breathing a rest

G **A**
I'm not a part of a larger conspiracy
G **D**
Nothing ever makes me get pissed
G **Em**
Not nature nor God or even Santa Clause
C **A**
Have me on any kind of list

G **A**
I'm only a little person
G **D**
I bide my time with little things
G **Em**
But I've got a gale that fills up my sails
C **D**
I've got the most sensational dreams

| **G** **A**
| Dreaming is all that I'm good for
| **G** **D**
| Dreaming is what I do best
| **G** **Em**
| The day I stop dreaming'll be the day that I die
| **C** **A**
| And finally give all the dreaming a rest
| **G** **Em**
| The day that I stop will be the day that I die
| **C** **A**
| And finally give all the dreaming a rest
