

Miracle Of Sound - Distant Honor
Misc Unsigned Bands

Hey Guys!

I dont know, what the real chords are,
but this work pretty well for me,
so I wanted to share it with you guys :D

(Capo 3 or 4)

Am **Em**
Distant honor, wasted grace
F **G**
Twisted pawn a face replaced
Am **Em**
Phantom filter mask of dread
F **G**
Damn the guilt my past is dead

Am
And I wait for the night
Am
Shadows protect my
Em
Angel in white
Em
Time to eject these
F
Vain parasites
Am
Cast out reject the
F **G**
Plague in all your hearts

F **G**
Cause the sad sad faces of the weary and worn
 Am **Em**
Live in bad bad places that are dreary and torn
 F **G** **A** **C**
And a distant honor calls me to your siiiide
 F **G**
To be your guide

Am **Em**
Wrapped up in your velvet sheets

F **G**
Far above the hellish streets you re
Am **Em**
Strapped inside your wealthy keeps
F **G**
Piss on corners where we sleep

Am
And this town s paranoid
Am
Blinking and jumping
Em
Down in the void
Em
A sickening dumping
F
Ground to avoid
Am
The stink of the pumping
F **G**
Plague in all your hearts

F **G**
Cause the sad sad faces of the weary and worn
Am **Em**
Live in bad bad places that are dreary and torn
F **G** **A** **C**
And a distant honor calls me to your siiiide
F **G**
To be your guide

Am
Shades of the whales in the tainted deep
Em
Maimed and impaled in their pain they sleep
F
The faded and frail in the laneways weep
G
Broken souls in mourning

F **G**
Cause the sad sad faces of the weary and worn
Am **Em**
Live in bad bad places that are dreary and torn
F **G** **A** **C**
And a distant honor calls me to your siiiide
F **G**
To be your guide
