Goodbye Black Ops - Miracle of Sound

**C G Am F x2**

Verse:

mute

**C G Am F**

It s been a year since I first loaded up my Aug with dual mags  
And watched a million penis emblems spring up next to gamertags  
It s been a rocky road, one headset and controller have been lost  
Had some fun sometimes but I m not sure if it was worth the cost...

Pre-Chorus:

**Am G F**

Now it s time to say...

Chorus:

**C G Am F**

Goodbye Nuketown Spawnkills, Goodbye hit detection rants  
Goodbye Ghille suits in corners, goodbye goddamn Second Chance  
Sure I ll see you sometimes when I rage at Modern Warfare 3  
But for now Black Ops it s adios, goodbye, farewell from me

**Am G F**

Goodbye...

Goodbye...

Verse:

mute

**C G Am F**

You made me rage harder than anything that ever came before  
Made me want to punch stuff even when I got a decent score  
Got shot around so many corners... so sick of all the lag  
Sick of bringing guns to knife fights and nobody capping flags

Pre-Chorus:

**Am G F**

Now it s time to say...

Chorus:

**C G Am F**

Goodbye Nuketown Spawnkills, Goodbye hit detection rants  
Goodbye Ghille suits in corners, goodbye goddamn Second Chance  
Sure I ll see you sometimes when I rage at Modern Warfare 3  
But for now Black Ops it s adios, goodbye, farewell from me

**Am G F**

Goodbye...  
Goodbye...

**C G Am F**

Bridge:

**C G Am F**

But we still had a lot of fun - please don't think this comes from hate  
We bitch because we like you and we want you to be great!  
So goodbye Nuketown spawnkills, goodbye hit detection rants  
Goodbye Ghillie suits in corners, goodbye goddamn Second Chance...

Play this one 1 step higher, I don't know the chords for this one...

Goodbye Nuketown Spawnkills, Goodbye hit detection rants  
Goodbye Ghille suits in corners, goodbye goddamn Second Chance  
Sure I'll see you sometimes when I rage at Modern Warfare 3  
But for now Black Ops it's adios, goodbye, farewell from me

Goodbye...  
Goodbye...  
Goodbye...

This is my first tab so please don't be too rude, if you can figure out the chords of the last part please write them in a comment and have fun with this wonderful song!

PS: Works best for me if I play it all with bar chords or power chords!
