Joker s Song

[Intro]

**Bm G Em F# Bm F#**

[Verse 1]

**Bm**

Grinning down through the gates

Watch the night suffocate

**G**

All the light as it smothers the sun

**Em**

I can tell by the moon

**F#**

You ll be joining me soon

**Bm**

**F#**

As a guest in my fortress of fun!

[Verse 2]

**Bm**

And I can t wait to see you

And once again free you

**G**

Released from your humourless air

**Em**

Someday I will replace

**F#**

That big frown on your face

**Bm**

**F#**

With a smile and a murderous glare

[Chorus]

**D**

We are two of a kind

**A**

Violent, unsound of mind

**Bm**

**F#**

You re the yin to my yang, can t you see?

**G**

And if I were to leave

**Bm**

You would grumble and grieve

**F#**

Face it, Bats...

**Bm**

You d be lost without me!

**D**

You d be lost (You d be lost)

**A**

You d be lost (You d be lost)

**F#**

Face it, Bats...

**Bm**

You d be lost without me!

[Verse 3]

**Bm**

I m just trying to show you

Just how well I know you

**G**

I understand just how you feel

**Em**

Threw your reason away

**F#**

Cause you had one bad day

**Bm**

**F#**

And your mind let go of the wheel

[Verse 4]

**Bm**

Still we re fated to battle

You pout and I prattle

**G**

Don t you ever tire of this game?

**Em**

But you ll not make it end

**F#**

Cause I m your only friend

**Bm**

**F#**

We are opposites but we re the same

[Chorus]

**G**

**Bm**

We have so many wonderful stories

**F#**

**G**

I have studied the mind of this bat

**Bm**

A hero with no praise or glory

**F#**

Just his cape and his cave and his...

MEOW!!! AAHHHAHAHAHOOOOHOHOHHAHAH!

**Bm G Em F# Bm F#**
