Bbm **F#** **Bbm**
The drone in my ear tells the time
 G#
And the hole in my hand
 F#
is a cave
 B **C#**
for the burned and hostile blind bird.

Bbm **F#** **Bbm**
The money is draped from the frames
 G#
And the lantern on fire
 F#
fills the room
 B **C#**
with the stench of a city subway car.

Bbm
Someone stole my favourite bone
 G#
I was walking alone, now it s gone
 F#
Who ever would ve known
 Bbm
Who ever would ve known.
