A C#m F#m E
In my dream, when the moon I reach
Dadd9 A E
Sun can't bleach memories of you
A C#m F#m E
You were mine til that day in time
D Bm7 E C#
Now those days are long gone, but I'm still here

F#m B D
Through the galaxies I'm evading
F#m B D E
From the Earth, from all my pain

F#m C#m D E
I see now this is not what I chose
F#m C#m D E
What I am - a shadow of what I have been
F#m C#m D E
So, what is an angel, I've seen none of those
F#m C#m D E F#m
But I hope they'll find me and what I hold within

A C#m F#m E
I was blind, so naïve and young
Dadd9 A E
Unaware of the slow decay
A C#m F#m E
Yesteryear I was blind but loved
D A E
Now I see what I had is all I have

F#m C#m D E
How I feel this is not what I chose
F#m C#m D E
What I am - a shadow of what I have been
F#m C#m D E
So, what is an angel, I've seen none of those
F#m C#m D E F#m
But I hope they'll find me and what I hold within
