More to Lose

Intro: **G**, **G**, **Em**, **D**(2x)

**G**

Versel: Ive gotta calm this tempo, slow down the beating of my pulse

**D**

So I can fall asleep today as the sun comes up.

**G**

Im impatiently waiting for the night just to begin

**D**

So I can finally spend some time and fall asleep with you.

**C**

**D**

PreChorus: Even though the nights were hazy and the days were just right,

**G**

**D**

**C**

**D**

Chorus: I know Im the one, yeah to think that this could work would only be

**G**

A crime.

**D**

**C**

**D**

I guess to you Im just old news.

**G**

**D**

**C**

**D**

**G**

And its me, and you, you have a way of keeping my interest all the time.

**D**

**C**

**D**

Baby youve got much more to lose.

**G**

**G**

Verse2: Youre on and off lately, why cant I be in and out?

**D**

**D**

Youre so cool, youve got another place to be.

**G**

**G**

Im impatiently waiting for the night just to begin.

**D**

**D**

Well theres a thousand pretty faces that would let me in.

**C**

**D**

PreChorus: Even though the nights were hazy and the days were crazy,

**C**

**D**

Youre still the one person who stands out in my mind.

Chorus

**G**

**D**

**Em**

**C**

Bridge: And so youll run away, youre thinking nothing of the ones you left

**G**

behind.

I guess I made that same mistake.

So you'll run away, thinking nothing of the ones you left behind.

I guess I made that same mistake.

PreChorus

Chorus(2x)
