

**Morning Runner - Gone Up In Flames**

**Misc Unsigned Bands**

new group, dont know much about them but they have supported coldplay so that cant be a bad sign.

all E and G are played open. all D and A are barred on the 5th using muting between strums

Intro :- **G Em G Em G G**

Verse :- **D A Em G**

Chorus :- **Em G Em G**

sorry there are no lyrics but i couldnt find any on the net and i cant hear them to

clear on the song. its pretty straight forward though, just play along with it and it

will become clear. any coments or changes mail me at [mozzay@hotmail.com](mailto:mozzay@hotmail.com)
