B

What I say is not what you mean

G#m7

E

how i love is not how you feel, right?

B

how i am is nothing to you

G#m7

E

how you leave is nothing to me, right?

but something s right

C#m

F#

when you run too far

F#

can t you see what you mean to me?

(Chorus)

B

F#

E

forward on, we march with solace

E

in knowing that we ll never be alone

B

F#

E

we ll call god and tell her not to notice

E

when we dance this circles anthem

B

how you fake is so believing

G#m7 **E**
how i take is so relieving, right?

B
how you look is such a cancer

G#m7 **E**
open eyed and spreading faster, right?

but something s right

C#m **F#**
when you run too far

F#
can t you see what you mean to me?

(Chorus)

B **F#** **E**
forward on, we march with solace

E
in knowing that we ll never be alone

B **F#** **E**
we ll call god and tell her not to notice

E
when we dance this circles anthem

B **F#**
comes round to you

E
it comes round to you

to you

B
how you change your mind is ruling

G#m7 **E**
stick the whole damn thing right through me, right?

E
right?

(Chorus)

B **F#** **E**

forward on, we march with solace

E
in knowing that we ll never be alone

B **F#** **E**
we ll call god and tell her not to notice

E
when we dance this circles anthem

comes round to you

B **F#**
forward on, (comes round to you)

E
we march with solace (comes round to you)

E
in knowing that we ll never be alone (comes round to you)

B **F#** **E**

we ll call god (comes round to you) and tell her not to notice
