(CHORUS) G# CmWho am i meant to hate now Just like before you tore me to pieces Just like before you tore me to pieces so Put on your clothes and wait now Just like before you tore me to pieces G#

Its just like before you tore me down

```
(VERSE 2)
Why does the start change when i reach the end
Like asking for this was your only attempt at
Winning your time back cos its not enough
You can t touch my hands cos their too cold to touch so
(PRE CHORUS)
