Tabbed by thisisyoursign

Capo on the 2nd fret.

G **D**
Oh hush, you just broke my heart,

Em **C**
I m better off never knowing.

G **D**
It s just a crush but it s enough,

Em **C**
This feeling is never going

G **D** **Em** **C**
Away, away, away

G **D** **Em** **C**
Away, away, away

C **G**
I fell in love, I met you on the sidewalk

C **G**
We lit up and it was just enough,

Em **C**
To keep the feeling you get in the pit of your stomach,

C **G**
And now I know love stories aren t just movies,

C **G** **Em**
And here we go, now we know

G

It s not okay.

G

D

Oh hush you just broke my heart,

Em

C

I m better off never knowing.

G

Em

C

Away, away, away

C

G

We hung all day, we talked all night

C

G

You found a way to hold my sight.

Em

C

But this is the time things get a little darker,

C

G

You told me of your other.

C

G

Em

The one you loved, I lost another,

G

It s not okay.

G

D

Oh hush you just broke my heart,

Em

C

I m better off never knowing.

G **D**
It s just a crush but it s enough,

Em **C**
This feeling is never going

G **D** **Em** **C**
Away, away, away

G **D** **Em** **C**
Away, away, away

[Interlude]
C, D, C, D

C
And it s alright,

D
It s here for a reason, it s here for a reason

C
And it s alright,

D
If it was meant to be then it surely will be.

G
Oh hush you just broke my heart,

I m better off never knowing.

G
It s just a crush but it s enough,

This feeling is never going

G **D** **Em** **C**
Away, away, away
(Oh hush, you just broke my heart, I m better off never knowing.)

G **D** **Em** **C**
Away, away, away
(It s just a crush, but it s enough, this feeling is never going)

G

Away
