

**Nanoripe - Hana Nokori Tsuki**

**Misc Unsigned Bands**

My chords for Hana Nokori Tsuki off of the nano.RIPE Hanasaku Iroha single.  
Also, oddly enough as far as I know this is the only source of romaji lyrics for  
the song. Or at least until I upload them to some lyrics sites.

You re welcome.

Please rate and comment.

Verse:

**G C Bm7 C B7 Em**  
Furubita kotoba, kurikaeshi tsubuyaite miru
