

**National Park Radio - The Ground And The Knee**  
**Misc Unsigned Bands**

Written By Stefan Szabo

Key - G

Verse 1:

**G**  
I ll call my brothers You tell our mothers  
**C** **Am C/G C/F#**  
Too late for the ground and the knee You and I will be  
**G**  
Always together We re closer than ever  
**C** **Am C/G C/F#**  
Connected by our misery Now that I can see

Chorus:

**Bm** **C** **G**  
You ll hold my hand I ll lead you through  
**Bm** **C** **G**  
Keep looking up the skies are blue  
**Bm** **C** **G**  
And when I stumble when I stall  
**Bm** **C** **Am C/G C/F#**  
I know that you ll be there to break my fall

Verse 2:

**G**  
I ve made the decision To make an incision  
**C** **Am C/G C/F#**  
And give you a piece of my heart You and I just are  
**G**  
Forever under The spell and the wonder  
**C** **Am C/G C/F#**  
Of finally finding the one Can you feel the sun?

Chorus:

**Bm** **C** **G**  
You ll hold my hand I ll lead you through  
**Bm** **C** **G**  
Keep looking up the skies are blue  
**Bm** **C** **G**  
And when I stumble when I stall  
**Bm** **C** **Am C/G C/F#**  
I know that you ll be there to break my fall

Bridge:

**Em**                    **G/F#**                    **G**                    **G/F#**                    **Em**  
But some they try to run away forced to live another day

**G/F#**                    **G**  
Without someone to share their pain

**Em**                    **G/F#**                    **G**                    **G/F#**                    **Em**  
And some they lose the one they love And try to blame the one above

**G/F#**                    **G**  
For all their troubled selfish ways

**Em**                    **G/F#**                    **G**                    **G/F#**                    **Em**  
But I will never run away I cannot live another day

**G/F#**                    **G**  
Without someone to share my pain

**Em**                    **G/F#**                    **G**                    **G/F#**                    **Em**  
And if I lose the one I love I cannot blame the one above

**G/F#**                    **G**  
For all my troubled selfish ways

Instrumental: **Bm-C-G** x3  
                  **Bm-C-G-D**

Chorus x2:

**Bm**                    **C**                    **G**  
You ll hold my hand I ll lead you through

**Bm**                    **C**                    **G**  
Keep looking up the skies are blue

**Bm**                    **C**                    **G**  
And when I stumble when I stall

**Bm**                    **C**                    **Am**    **C/G** **C/F#**  
I know that you ll be there to break my fall
