Neighbours - Unforgetable
Misc Unsigned Bands

Its acually the chorus but there u go!

```
C     D            B
And I want you to know,
               A
You re who I wanna be
G         A         B
And I ll sing with everything
   A
I have inside of me
G              A
You re always in my heart,
         B          A
There s no letting go
               G
You gotta know..
                                  A
You re unforgettable, you re unforgettable
```
