Intro:

**Asus2 Am9 x4**

Versel:

```
Asus2           Am  
  I m going back  
Fmaj7           G6add9           A A4 A  
  Now it s all a distant memory  
Asus2           Am  
  Going back  
Fmaj7           G6add9           A A4 A  
  To a long forgotten fantasy
```

Chorus:

```
Dm9           Gsus2           A  
  Why don t you join me here?
```

Verse2:

**Asus2**                    **Am**  
 Under that tree  
**Fmaj7**                    G6add9                    **A A4 A**  
 We sat and talked when time was young  
**Asus2**                    **Am**  
 But that was long ago  
**Fmaj7**                    G6add9                    **A A4 A**  
 And now I watch the setting sun

Chorus:

**Dm9**                    **Gsus2**                    **A**  
 Why don t you join me here?

Bridge:

**Fmaj7**                    **Gsus2**  
 Going back, every ????? memory  
**Fmaj7**                    **Gsus2**  
 Going back, every year s a mystery  
**Fmaj7**                    **Gsus2**  
 Going back, fading into eternity  
**Fmaj7**                    **Gsus2**                    **Asus2**  
 Going back, to the last we made in certainty

**Asus2 Am9** x2

Verse3:

**Asus2**                    **Am**  
 Lazy summer days  
**Fmaj7**                    G6add9                    **A A4 A**  
 We d hid and hurl, make ???? last  
**Asus2**                    **Am**  
 Now it seems so long ago  
**Fmaj7**                    G6add9                    **A A4 A**  
 Childhood dreams are fading into the past

Chorus:

**Dm9**                    **Gsus2**                    **A**                    |  
 Why don t you join me here?                    |x3

Outro:

**Asus2 Am9**                    **Asus2 Am9**                    **Asus2**  
 Going back                    Going back  
**Am9**                    **Asus2**  
 Going back
