Misc Unsigned Bands

[Intro]
C C Am F

[Verse 1]

C
A simple life we lead as an SCV
Am
Working side by side for eternity
F
But if you youâ€™re there
        C
Thatâ€™s alright with me

If Iâ€™m called away
       Am
To scout their base
   F
The thought of you will keep me safe
     C
And if Zerglings spawn Iâ€™ll run away

[Chorus]

 Am
Woah oh ohhhhhhh
    F
Weâ€™re there for each other
 Am
Woah oh ohhhhhhh
     F
Weâ€™ll repair one another, Soâ€¦

F   G   Am
Donâ€™t you worry â€™bout me
     G   **F**
I wonâ€™ let you be alone
 G
One day weâ€™ll live in peace
Am G   **F**
In our Supply Depot home
   G
If I gotta leave
       E7   **Am-G-F**
Let this song be our good-bye, Ohhhhhhh
F   **G**
Your love will always be my guide

```
                            C  C  Am  F
back to the mineral lineâ€¦.

[Verse 2] [Use Verse 1 chords]
And while you work
If Mutas swarm above
Donâ€™t you fear
Iâ€™ll put a Turret up
No Glaive Worm can pierce our love
If an expansionâ€™s built
And I have to leave
Iâ€™ll Maynard away
But youâ€™re all I seeâ€¦
The thought of you will never leave

[Chorus]
Woah oh ohhhhhhh
Weâ€™re there for each other
Woah oh ohhhhhhh
Weâ€™ll repair one another
Soâ€¦
Donâ€™t you worry â€™bout me
I wonâ€™ let you be alone
One day weâ€™ll live in peace
In our Supply Depot home
If I gotta leave
Let this song be our goodbye
Ohhhhhhh
Your love will always be my guide
back to the mineral lineâ€¦.

Donâ€™t you worry â€™bout me
I wonâ€™ let you be alone
One day weâ€™ll live in peace
In our Supply Depot home
If I gotta leave
Let this song be our goodbye
Ohhhhhhh
Your love will always be my guide

                            C  C  Am
back to the mineral lineâ€¦.
F        C
back to the mineral lineâ€¦.
