The war is over and I ve won  
C  
But at what cost?  
Em G  
My wounds are open and I m bleeding  
C  
Look at what I ve lost  
Em G  
Eyes closed like I m ready to die  
C  
I m waiting for a sign  
Em G  
My friends are dead with bullets in their heads  
C  
Victory is mine

**G** **D**  
I don t wanna fight your war anymore  
**Am** **C**  
I wanna go back to peace  
**G** **D**  
I don t wanna fight your war anymore  
**Am** **C**

**Em** **Am**  
So much pain in this game of war  
**C**  
We're all dying, can't stop the crying  
**Em** **Am** **C**
