Misc Unsigned Bands

[Verse 1]

C#m **E**
You said you have enough,
B
I ve packed up all my stuff,
A **B**
I m waiting for the cab in the hallway,
C#m **E**
I ve got nothing to explain,
B
I m naked in the rain,
A **F#m**
Like every part of me is on display,

Trying to act like everything s OK.
N.C.
No way!

[Chorus]

A
What did I do?
E **B** **A**
You said I screwed it up and it cost you.
C#m **E** **A**
All it took was one slip and I lost you.
A **B**
What did I do?
F#m **C#m**
But maybe it s not me,
G#m
maybe it s you.
B
What did I do?

Trying to be your stupid cover girl
