Verse 1

**Bbm** **C#**  
Everything in my life's going crazy

Nothing feels alright anymore  
**Bbm** **C#**  
Everyone around me has got me thinking  
**G#** **Bb**  
That everything I do isn't enough

**Bbm** **C#** **G#**  
But I think to myself this is not what I wanted  
**Bbm** **C#** **G#**  
To do with my life is it even important

Chorus

**Bbm** **C#** **G#**  
So I'll push everything out of my head  
**Bbm** **C#** **G#**  
The voices inside that tell me I can't  
**Bbm**  
I don't know where to go  
**C#** **G#**  
That can't stop me now  
**Bbm**  
It's all up to me  
**C#** **G#**  
Yea it's all up to me

Verse 2

**Bb** **C#**  
Nobody really understands  
**G#** **Bb**  
People telling me what to do  
**Bbm** **C#**  
They talk to me like they really care  
**G#** **Bb**  
When really it is so insincere

Pre-Chorus 2

**Bbm** **C#** **G#**  
But I think to myself this is not what I wanted  
**Bbm** **C#** **G#**
