Verse 1

**Bm** **D**  
Everything in my life's going crazy  
**A** **B**  
Nothing feels alright anymore

Everyone around me has got me thinking  
**A** **B**  
That everything I do isn't enough

**Bm** **D** **A**  
But I think to myself this is not what I wanted  
**Bm** **D** **A**  
To do with my life is it even important

Chorus

**Bm** **D** **A**  
So I'll push everything out of my head  
**Bm** **D** **A**  
The voices inside that tell me I can't  
**Bm**  
I don't know where to go  
**D** **A**  
That can't stop me now  
**Bm**  
It's all up to me  
**D** **A**  
Yea it's all up to me

Verse 2

**B** **D**  
Nobody really understands  
**A** **B**  
People telling me what to do  
**Bm** **D**  
They talk to me like they really care  
**A** **B**  
When really it is so insincere

Pre-Chorus 2

**Bm** **D** **A**  
But I think to myself this is not what I wanted  
**Bm** **D** **A**
