Noise Reduction

(male version: 1 fret lower)

(female version: Capo on 2nd fret)

Intro: **G-D/F#-C-D**(2x)

G D/F#

I. Once there in my life,

C D

I had dreamed of you,

G D/F#

And that's all I want to be,

C D(pause)

Cause I believed in me and you,

C D G-D/F#

Ref.1 All those days I thought of you,

C D G

Didn't even hesitated,

D/F#

That we'll make it through,

C D C D(pause)

Please hang on, please hold on,

Chor. (do I. chords)

Please don't leave me,

Please don't go,

For I still love you,

This is I know,

Please don't tell me,

Please don't say,

For all I want is you to stay,

Just stay.

(do intro chords)

II. (do I. chords)

I don't Believe,

We're through,

Just believe in me,

That I want to be with you,

Ref.2 (do Ref.1 chords)

All those years I longed for you,

Wish you feel the same way too,
But now youâ€™re gone,
Now youâ€™re gone,

(repeat Chor.)

Adlib (do Chor. chords)

(repeat Chor. 2x but use **A-E-D-E**)

Coda: (use **A-E-D-E** chords)

All I want is you,(just stay)

All I want is you,(just stay)

Just stay..
