verse: **C** || **Cadd9** or **C2** || **Fmaj** or **F/E** || **Fmaj7** or **F/G**

I wish I couldv e read your mind,
words don t mean a thing.
I ve given you all my time,
all you do is leave.
And if you were standing here in front of me
I know you would say,
there s nothing oh so precious as something that s gone away.

bridge: **F** || **G**

And if there is a reason,
I just don t want to know
Why you feel the need to love me so

chorus: **C** || **F**

Only when you go...
