Thrice Defeated (But Iâ€™m Trying Again)

Chorus

Iâ€™ve fought you before,

Thrice at war,

And thrice destroyed,

But Iâ€™m tryinâ€™ again

Verse 1

All the wasted years,

Spent down in Mexico.

9 to 5,

Livin a day dream.

My life died,

On Tokyo highway.

Or the plane,

That never came back

Chorus

Verse 2

So now I have a choice,

Death or endless pain.

Iâ€™ve got you handcuffed,

To the oak chair.

Now my choice comes,
On death's door,
At 9
Past 5.

Chorus
