Thrice Defeated (But Iâ€™m Trying Again)

Chorus

Iâ€™ve fought you before,
Thrice at war,
And thrice destroyed,
But Iâ€™m tryinâ€™ again

Verse 1

All the wasted years,
Spent down in Mexico.
9 to 5,
Livin a day dream.
My life died,
On Tokyo highway.
Or the plane,
That never came back

Chorus

Verse 2

So now I have a choice,
Death or endless pain.
Iâ€™ve got you handcuffed,
To the oak chair.

Now my choice comes,
On death's door,
At 9
Past 5.

Chorus
