

**Open Up Your Heart And Let The Sunshine In - Stuart Hamblen**  
**Misc Unsigned Bands**

Open Up Your Heart (and Let the Sunshine In)  
by Stuart Hamblen

[Verse]

**G** **C** **G**  
Mommy told me something a little girl should know,  
**D7** **G** **D7** **G**  
It s all about the devil and I ve learned to hate him so.  
**G** **C** **G**  
She said he causes trouble when you let him in the room,  
**D7** **G** **D7** **G**  
He will never ever leave you if your heart is filled with gloom.

[Chorus]

**G D7 G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G** **D7** **G**  
smilers never lose, and frowners never win.  
**G-D7-G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G D7 G**  
open up your heart and let the sunshine in.

[Verse]

**G** **C** **G**  
When you are unhappy the devil wears a grin,  
**D7** **G** **D7** **G**  
But oh, he starts to running when the light comes pouring in.  
**G** **C** **G**  
I know he ll be unhappy cause I ll never wear a frown,  
**D7** **G** **D7** **G**  
Maybe if we keep on smiling he ll get tired of hanging round.

[Chorus]

**G D7 G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G** **D7** **G**  
smilers never lose, and frowners never win.  
**G-D7-G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G D7 G**  
open up your heart and let the sunshine in.

[Verse]

**G** **C** **G**  
If I forget to say my prayers the devil jumps with glee,  
**D7** **G** **D7** **G**

But he feels so awful, awful when he sees me on my knees.

**G** **C** **G**  
So if you re full of trouble and you never seem to win,  
**D7** **G D7 G**  
Just open up your heart and let the sunshine in.

[Chorus]

**G D7 G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G D7 G**  
smilers never lose, and frowners never win.  
**G-D7-G7 C** **G**  
So let the sunshine in, face it with a grin,  
**D7** **G D7 G**  
open up your heart and let the sunshine in.  
**G-C-G** **G**  
Let The sunshine in
