

Patient Parking - Missing You
Misc Unsigned Bands

Hello, all. My name is Brenna Durnin. At this time I am 13 years of age, and I belong to a band called Patient Parking. We are out to break America right now, so I'm tabbing this song before any album even THINKS OF COMING OUT. Here you go. BTW, I wrote this song, and all rights are reserved. Thank you. (Patient Parking is a small band exploring Canada and the Pacific Northwest America right now. No album yet.)
