Song Title -To bring you back â€| Artist -Paul Alan
I took the last guys tab and fixed it. Great message in this song. GOD Bless!

Em **Em7**
Are you thirsty, standing in the rain?
C **D**
Not sure where you are or how you lost your way

hey, hey, hey.. -**Em**, **Em7**, **C**, **D**

Em
Are you drowning
Em7
Some bar outside of town?
C **D**
Searching for something given not found
Em **Em7**
A crowd of people totally alone
C
At the front door
D
Worlds away from home
Em
And light up the night s last regret
Em7
Burn your only safety net
C **D**
Step to the edge it s such a long way down

CHORUS
Em **Em7** **C**
And I left the ninety-nine to find the one
D **Em**
and you re the one
Em **Em7** **C**
I walked a thousand miles in this desert sun
G **D** **Em**
Only to bring you back

Em, **Em7**

Em **Em7**
Are you tired of chasing the wind?
C **D**
Under water, do you aspire to breathe again?
Em
Are you dying?

Is that the best that you can do?
