

C

There s this mountain I can t climb

Am

And all these storms around me

G F C

Help the sky, it s falling

G F C

Please help the sky, it s falling

G C

How can something real feel so empty

G

C

Those things you said before, they ve lost their meaning

Em

You dug a hole into the ground

G

And put me there with no way out

F C

I ve lost my will for living

C

There s this mountain I can t climb

Am

And all these storms around me

G F C

Help the sky, it s falling

G F C

Please help the sky, it s falling

C

This battle that s inside me

Am

These monsters I am fighting

G F C

Help the sky, it s falling

G F C

Please help the sky, it s falling

Am G

And I don t why you would nt choose to fight

Em

C

For everything we said would never die

G F C

And now the sky, it s falling

C

There s this mountain I can t climb

Am

And all these storms around me

G F C

Help the sky, it s falling

G F C

Please help the sky, it s falling

**G**            **F**            **C**  
Oh help the sky, it s falling

and that s it! I hope this helped, please rate, comment and correct me!

Cheers...
