

Peter Morande - Straight Up
Misc Unsigned Bands

This is my way to play my version of: Straight Up - By Paula Abdul.

I play it with my capo on the 4th fret, and the chords I use are:

Am F D Em

Am F

Lost in a dream

D Em

I don't know which way to go

Am F

If you are all that you seem

D Em

Then, baby, I'm movin' way too slow

Am

I've been fooled before

F

Wouldn't like to get my love

D

Caught in the slammin' door

Em

How about some information, please?

Am

Straight up, now tell me

D

Do you really wanna love me forever

Oh, oh, oh

F Em

Or am I caught in a hit-and-run?

Am

Straight up, now tell me

D

Is it gonna be you and me together

Oh, oh, oh

F Em

Or are you just havin' fun?
