

**Pletrums Down - Missi Give Up**  
**Misc Unsigned Bands**

Dear miss i give up,

**A,E,G** (one stroke each)

Dear miss i dont understand,

**A** **E**  
miss i cant hold my feelings,

**G** **D**  
miss i dont walk away,

**A** **E**  
dear miss how is the weather,

**G** **D**  
in your world of pain

**A** **E**  
i guess as your reading this message,

**G** **D**  
I ll be driving you so mad.

**A** **E**  
Dear miss how are ya?

**G** **D**  
did you see those clouds today?

**A** **E**  
just put on your earphones

**G** **D**  
and wish it all away.

**A** **E**  
listen to your senses.

**G** **D**  
what are they telling you know?

**A** **E**  
have you got a simple soft feelin

**G** **D**  
Or do u just wanna cry outloud.

I said dear miss how is the weather?  
I said dear miss do you un-der-stand  
I said dear miss read this letter,  
And Then you may understand

**A** **E**  
Ask your friends to help you  
**G** **D**  
Cos they ll be with you all your way,

**A** **E**  
dear miss you ll be better

**G** **D**  
then you can come out another day...

By Chloe Skinner.

Please give me some feedback, as this is my first proper song.  
thank you
