TOM S SAGGY GAS (words: p.day, music: j.day ©1994)

G

I lied to you

A

And passed it off

C

And everything that went from bad to worse

G

Is all my fault

G

I passed you off

A

And you passed me by

C

And I passed gas and my friends laughed

G

And it made you die

G

I yelled at you

A

And passed more gas

C

And all the poop I threw at you was meant to

G

Compliment the gas

G

I passed you off

A

And you passed me by

C

And I passed gas and my friends laughed

G

And made you die

E

And when you look back

C

You'll still love me

E

And if I grow up

C

I just might see that

A

B

G

You were right and I was wrong

A

G

But until that time

A

B

G

My immaturity lives strong
