Capo 2

I m afraid I can t forget all the things you used to say
And all the things you used to do are forever in my memory
But I know the last thing you would want me to do
Was sit here and miss you

But I can t find the strength to move
It s like losing pieces of me when I lost you

And every little thing reminds me of what I used to have
I m trying to be strong for you
But I m afraid I can t be the kind of happy you want me to

its getting harder to take more and more each day
I m losing control of everything

is there any other way
my mind is going crazy over you
so what do you expect me to do?

But I can t find the strength to move
It s like losing pieces of me when I lost you

And every little thing reminds me of what I used to have

I m trying to be strong for you
