Capo 3

**G**      **D/F**    **C9**      (**D/F** is the best chord ever lol)

I forgot to tell you something

I forgot to clear the air

Forgot to apologize for nothing

I forgot that life s not fair

I remember you swearing to me

I remember you never cried

I remember wanting to believe

But now I don t remember why

**G**

**D**

So if we ever meet again and I m standing here and you re standing there

**Am**

**C**

Would you do me a favor and don t say what you wanna say

**G**

**D**

Would you take off that smile you do so well, don t stand so close so I don t catch your smell

**Am**

**C**

And would you do your best not to stare at me cause I cant breathe

**G**

**D**

**Am**

**C**

When your there

I forget to breathe

**G**

**D**

Would you take off that smile you do so well, don't stand so close so I don't catch your smell

**Am**

**C**

And would you do your best not to stare at me cause I can't breathe

**G**

**D**

When you're there

**Am**

**C**

**G**

And I can't forget to breathe
