Capo 3

G **D/F** **C9** (**D/F** is the best chord ever lol)

I forgot to tell you something

I forgot to clear the air

Forgot to apologize for nothing

I forgot that life s not fair

I remember you swearing to me

I remember you never cried

I remember wanting to believe

But now I don t remember why

G

D

So if we ever meet again and I m standing here and you re standing there

Am

C

Would you do me a favor and don t say what you wanna say

G

D

Would you take off that smile you do so well, don t stand so close so I don t catch your smell

Am

C

And would you do your best not to stare at me cause I cant breathe

G

D

Am

C

When your there

I forget to breathe

Would you do me a favor and don t say what you wanna say

G

D

Would you take off that smile you do so well, don t stand so close so I don t
catch your smell

Am

C

And would you do your best not to stare at me cause I cant breathe

G

D

When your there

Am

C

G

And I â€¦ Forgetâ€¦. To Breathe
