Bm **D** **G**
Everything in life happens accordingly

A
And that's exactly what you said to me

Bm **D**
So don't claim your heart

G
When you're not beside me

A
Cause it's what you wanted

G
It's exactly what you said to me

A
It's exactly what you wanted (2x)

Bm **G**
It all goes around the fact that
Bm **A**
Telling me won't do any
Bm **G**
Showed no truth stood alone by my side
Bm **A**
Just know that you're one of many

Bm **D** **G**
Everything is fine and so it goes
A **Bm**
I'll go on in life and just pretend
D **G**
That we're good friends and I'm alright
A
Cause it's what you wanted

G
It's exactly what you said to me
A
It's exactly what you wanted (2x)

It's in all I see yet eventually

I held your hand; it's in all that I am

Bm **D** **A**

When it comes around I'll be breaking down

Bm **G**

It all goes around the fact that

Bm **A**

Telling me won't do any

Just know that you're one of many
