Intro: **Bm** " D " **A** - **E**

**Bm** **D** **G**  
Everything in life happens accordingly

**A**  
And that's exactly what you said to me

**Bm** **D**  
So don't claim your heart

**G**  
When you're not beside me

**A**  
Cause it's what you wanted

**G**  
It's exactly what you said to me

**A**  
It's exactly what you wanted (2x)

**Bm** **G**  
It all goes around the fact that

**Bm** **A**  
Telling me won't do any

**Bm** **G**  
Showed no truth stood alone by my side

**Bm** **A**  
Just know that you're one of many

**Bm** **D** **G**  
Everything is fine and so it goes

**A** **Bm**  
I'll go on in life and just pretend

**D** **G**  
That we're good friends and I'm alright

**A**  
Cause it's what you wanted

**G**  
It's exactly what you said to me

**A**  
It's exactly what you wanted (2x)

**Bm** **G**

It all goes around the fact that

**Bm** **A**

Telling me won't do any

**Bm** **G**

Showed no truth stood alone by my side

**Bm** **A**

Just know that you're one of many

**Bm** **G**

I forced my thoughts; I know all your plots

**Bm** **D** **A**

It's in all I see yet eventually

**Bm** **G**

I held your hand; it's in all that I am

**Bm** **D** **A**

When it comes around I'll be breaking down

**Bm** **G**

It all goes around the fact that

**Bm** **A**

Telling me won't do any

**Bm** **G**

Showed no truth stood alone by my side

**Bm** **A**

Just know that you're one of many

-G- C# " D " A - E

**Bm**

And so for now

**D**

I'm breaking down

**A**

I'm breaking down

**E**

And I'm breaking down

**Bm**

I'm breaking down

**D**

I'm breaking down

**A** **E**

I'm breaking down
