

**Rob Pattinson - Let Me Sign**

**Misc Unsigned Bands**

This is my first tab EVER. I couldn't find the tab to this song ANYWHERE so I did it. I  
it's probably not completely accurate, but it sounds alright to me. The lyrics  
might not  
correct, I jot them down by ear, but I've been listening to Rob since his Bobby  
Dupea  
so I'm sure I can pick up a few correct words out of his mumbling :] But all in  
all  
is an amazing song so I had to put it up here! (I posted this under  
amberdrake221 and it  
tabbed by unregistered, which made me mad! so here it is again!)

CAPO 2nd FRET

**Am**

She's standing by

**Em**

a broken tree

Her hands are all twisted

She's pointing at me

**Am**

I was damned by light coming

**Em**

Over as she

Spoke with a voice that

Disrupted the sky

**Am**

She said Hold on lover, yeah, Don't feel ashamed

**F**

I will wrap you in my arms and know that you will say

**Am**

**F**

Let me sign, Let me sign
