D G Asus4
Another morning comes and you feel washed ashore.

D G Asus4
Heartbreak comes to those who don't need anymore.

D G Asus4
And as the day ends you don't want an encore.

G D
But you must go on, oh yes you must go on.

Asus4
Continue striding through it all.

G Asus4
Because there isn't any fairy tale ending

G Asus4
Waiting for us when we're through.

G Asus4
Either way we lose, so ask yourself,

G D Asus4
Can you pursue?

D G Asus4
Don't sit at home and dwell on all those faces past.

D G Asus4

You must be like the phoenix and rise at last.

D G Asus4

And once you have done so, live your life steadfast.

G

Because from nothing there is something,

D Asus4

and from something there is everything for you.

D G Asus4

The days keep passing and you feel you can't win.

D G Asus4

Trust me, I know exactly where you have been.

D G Asus4

I was the one who remained in his ashes therein.

G D

Until one day I arose, oh yes I arose,

Asus4

I arose and began again.

G Asus4

Because there isn't any fairy tale ending

G Asus4

Waiting for us when we're through.

G Asus4

Either way we lose, so ask yourself,

G D Asus4

Can you pursue?

G D Asus4

Can you pursue?

G D Asus4

Can you pursue?
