Robert Pattinson - Let Me Sign Misc Unsigned Bands

This is my first tab EVER. I couldn t find the tab to this song ANYWHERE so I did it

I know it s probably not completely accurate, but it sounds alright to me. The lyrics might

be correct, I jot them down by ear, but I ve been listening to Rob since his Bobby Dupea

so I m sure I can pick up a few correct words out of his mumbling :] But all in this is an amazing song so I had to put it up here!
