We used to go to the beach
Back when happiness was in our reach (so close)
On our favorite bench
Weâ€™d sit and talk and you taught me to French
Youâ€™re good at pullups and have radical hair
I hate my dad heâ€™s so unfair (you donâ€™t understand our love)

CHORUS2

But now Iâ€™m building sandcastles in the sand (sandcastles in the sand)
Thought I could fly when I held your hand (I was wrong)
Eternity turns to black and white
It was the greatest week and a half of my life

BRIDGE

A#	C			(G# A#)
Itâ€™s crazy no one gets me				
Dm	C	A#		(Cm A# G#)
Castles wash away				
Dm				(Cm)
Come back please				
	C			(A#)
Iâ€™ve changed my mind				
Dm	C	G	A	(Cm A# F G)
Letâ€™s go all the way (I love you, letâ€™s do it)				

I miss you

CHORUS3

[[repeat only the first five chorus chords until the end]]
Sandcastles in the sand (oh, I miss your hair)
Thought I could fly when I held your hand (I thought you were the one)
Sandcastles wash away (I love you, letâ€™s do it)
And all thatâ€™s left is some sand the next day
Sandcastles may be cute (Iâ€™m on the pill now)
But now all they do is remind me of you
(Letâ€™s go all the way)
(You said itâ€™d be okay)
(Iâ€™m sorry)
Sandcastles wash away
