Am C G Em x 2

Am C G  
I see you smile, I watch her breath.  
Em Am  
A night like this, Is hard to believe.  
C G  
Your angel grin, The touch of her skin.  
Em Am  
You move so smooth, She wants it again.

C G  
You taste so fine, She knows that you're mine  
Em Am  
That look in your eyes, Is blowing my mind.  
C G  
I'm ready to go, Let's finish the show  
Em Am C G Em  
I need you now, I'm dying inside. Dying inside.
