I m going to tell you a story about Mary Lou.
I mean the kind of a woman who makes a fool of you.
She makes a young man groan and an old man pain.
The way she took my money was a crying shame.
CHORUS:
(Mary Lou) She took my diamond ring.
(Mary Lou) She took my watch and chain.
(Mary Lou) She took the keys to my Cadillac car..
jumped in my Kiddy and she drove a-far.

jumped in my Kiddy and she drove a-far.
